

District Solo and Ensemble-February 8, 2014

Haslett High School
5450 Marsh Road
Haslett, MI 48840

1. Using a pencil, write your first and last name and "Williamston HS" on your piece of music.
2. Using a pencil, number each measure on your music.
3. Make sure you take the original music to the festival. You must give the judge the original piece of music in order to receive a rating. If you are using music that belongs to WHS you will receive it in class on Thursday before the festival.
4. After you are finished playing, you will be given back your original music. Please return it to Ms. Kelsey on Monday. (If you do not return the music, we will have to charge you to replace it.)
5. Percussionists are expected to bring instruments with them unless prior arrangements have been made to use the equipment provided at Haslett. You must also bring your own sticks/mallets.
6. Dress up a little bit and make a great impression; stage presence is an important part of any performance.
7. Plan to arrive at least 30 minutes before your performance. Bring your copy of the Williamston schedule of events and map. When you first arrive check in to your warm-up room. The warm-up room chairperson will let you know when it is your turn to warm-up.
8. When you first go into the performance room soloists may tune with the piano and ensemble members may tune with each other. Make sure that you adjust chairs and stands to a set up that is comfortable for you. You should set it up exactly as you have been practicing.
9. After performing, return to the warm-up room and pack up your instrument. You may then wait outside the performance room for your rating and the judges's music. If you have earned a 1st or 2nd division rating they will give you a medal slip. The adjudication sheet will be given to you in class on Monday. Ms. Kelsey must have the original music returned to her before she will hand out the adjudication sheets.

Good luck and congratulations on all of your hard work!!
